Sewist

521 and 525S

CREATE YOUR OWN ORIGINAL HOME DÉCOR WITH EASE with the Sewist 521 or Sewist 525S

Special features of the Sewist 525S:

MAGNETIC TYPE HORIZONTAL FULL ROTARY HOOK

Jam proof, magnetic, top-loading full rotary hook system that eliminates the bobbin case for convenient bobbin insertion, removal and cleaning. Thread is visible below the see-through hook cover plate.

BUILT-IN NEEDLE THREADER

Makes needle threading a cinch, and there's no more strain on your eyes.

AUTOMATIC ONE-STEP BUTTON HOLE

Merely set a button on the automatic buttonhole foot. The foot then sets the necessary length, and the perfect buttonhole is automatically made in one step.

DROP FEED DOG

For attaching buttons, free-motion quilting, darning, etc., simply slide the lever to drop the feed dog.

ACCESSORY STORAGE

Sewing accessories are conveniently stored underneath the machine.

CONVENIENT ONE-HAND THREAD CUTTER

Since threads are cut neatly, you can easily start sewing again, without the trouble of tangled threads or an unthreaded needle.

FOOT PRESSURE ADJUSTMENT

By setting the foot pressure, you can sew any thickness or type of fabric, fine to thick, without puckering.

QUICK FOOT CONVERSION

Just press the lever to remove the foot. To attach, lower the lifter to snap it into place.

CONVERTIBLE FREE ARM FOR CIRCULAR SEWING

The detachable sewing table easily slides out of the way to reveal the free arm — so handy for sleeves, cuffs and hard to reach areas.
